

Hunter Hutchisson, P.E.

Full-Stack Software Engineer

Houston, TX | (702) 232-5937

github.com/hunterhutchisson | linkedin.com/in/hunter-hutchisson-p-e-23b84a115/ | hunter.hutchisson@gmail.com

Creative software engineer with the ability to pick up new languages and technologies as needed. Prior to being a software engineer, I worked as a Project Engineer for Costello where I designed and managed construction for projects involving reconstruction of drainage, wastewater, and water facilities for various municipalities around the greater Houston area.

Software Development Skills

- Debugging, JavaScript, Python, Node.js, Express, API, PostgreSQL, Sequelize, Bootstrap, HTML, CSS
